

Uni-Fix Contractor Dry Ridge Kit 6m

The Kytun Uni-Fix Contractor Dry Ridge Kit is a truly universal system suitable for ventilating and mechanically fixing ridge tiles.

The unique ridge union bracket design allows for easy fixing to all concrete and clay ridge tiles. Suitable for 15° - 60° roof pitches. This ridge kit can be used with Universal Angle Ridges, Half Round and Plain Angled Ridge Tiles.

Features & Benefits

- Complete kit - covers 6m of ridge
- Compatible with most ridge / roof tile profiles and slates
- Breathable product, provides >5,000mm²/m ventilation
- Integrated butyl adhesive prevents wind driven rain ingress
- Flexible ridge union bracket and Dry Ridge Clips ensure the ridge union follows the underside of the ridge tile for maximum rain protection.
- Provides permanent, secure fixing of ridge / hip tiles.
- Independently tested by BRE to BS 8612.
